WE ARE ARVIND SMARTSPACES. AND WE'RE HERE TO RAISE THE STANDARD OF DESIGN IN REAL ESTATE.

At Arvind SmartSpaces, we combine the innate design sense that is in our DNA, with the power and credibility of an industrial house. This allows us to institutionalise our high design standards, and deliver them consistently, with scale and on schedule.

Since our entry into the real estate industry in 2009, we have developed projects that not only meet our customers' needs, but raise their expectations for how much a home can enhance their lives. We believe in customer centric design - which raises both the level of aesthetics and living standards. Our aim is to create a positive impact on lives of customers & their family by bringing this standard of design thinking to all customers, not just a select few.

THE LALBHAJ GROUP: SPANNING SEVEN INDUSTRIES AND OVER 128 YEARS

The Lalbhai Group was founded in 1897 as a textile mill in pre-independent India. Since then, we have grown into a USD 2 billion conglomerate that has made its way to fashion capitals across the world through iconic brands like Calvin Klein, Tommy Hilfiger, Arrow and more. Now, we're taking our expertise and sense of design into the world of real estate. As varied as our ventures are, a common thread runs through all our work: a deep understanding of aesthetics and the discerning customer.
